B02

Software Products

Whole product

Basic product

Core product (intellectual property)

Software

- Core software
- Additional software (extensions + plug-ins, tools and utilities, integrations)

Complementary materials

- Documentation
- Training materials

Self-help services

- Forums, mailing lists
- Help and chat agents
- On-line tutorials

Pricing of usage rights

- Quantity: User, machine, time, ...
- Duration: Perpetual, time-limited, ...
- Structured: Initial license fee, regular subscription fee

Guarantees (“insurance”)

- Fitness for use
- Certification

Pricing of guarantees

- By damage: Loss of business, fines received
- Structured: Levels / bands, formula

Support services

- Hot-line support
- On-site servicing

Pricing of support services (SLAs)

- By availability: Incident-based, 9x5, 24x7
- By quality: First-level, second-level, third-level

Training

- In-house training
- Off-site training

Pricing of training

- Fixed fee
- Per participating person

Consulting

- Technical implementation services
- Strategic solution consulting

Pricing of consulting

- Fixed fee
- Time and materials

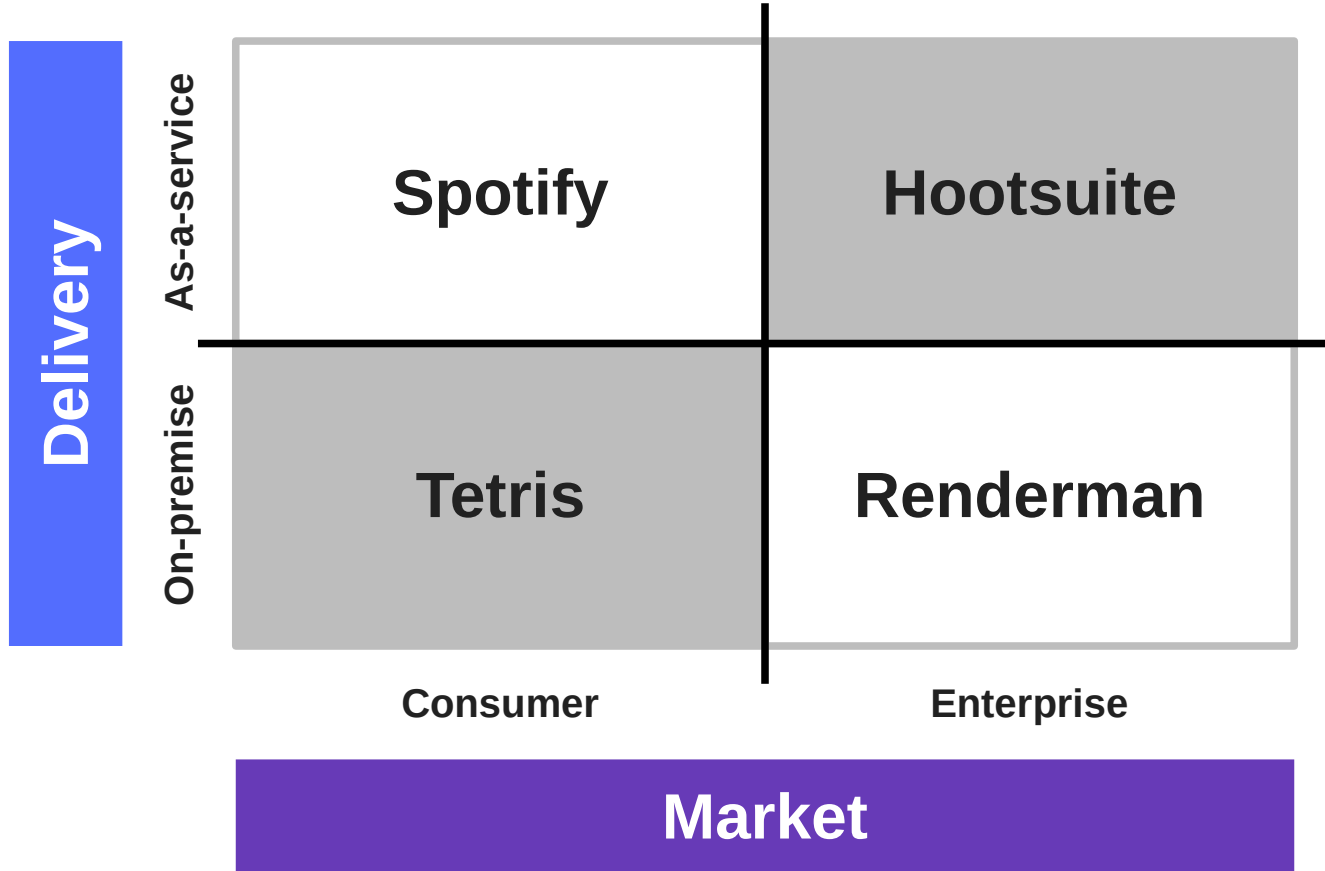

Operations

- Provision of SaaS (managed service)

Pricing of operations

- Quantity: Users, resources, ...
- Duration: Always time-limited
- Structured: Set-up, subscription

B03

Software Vendors

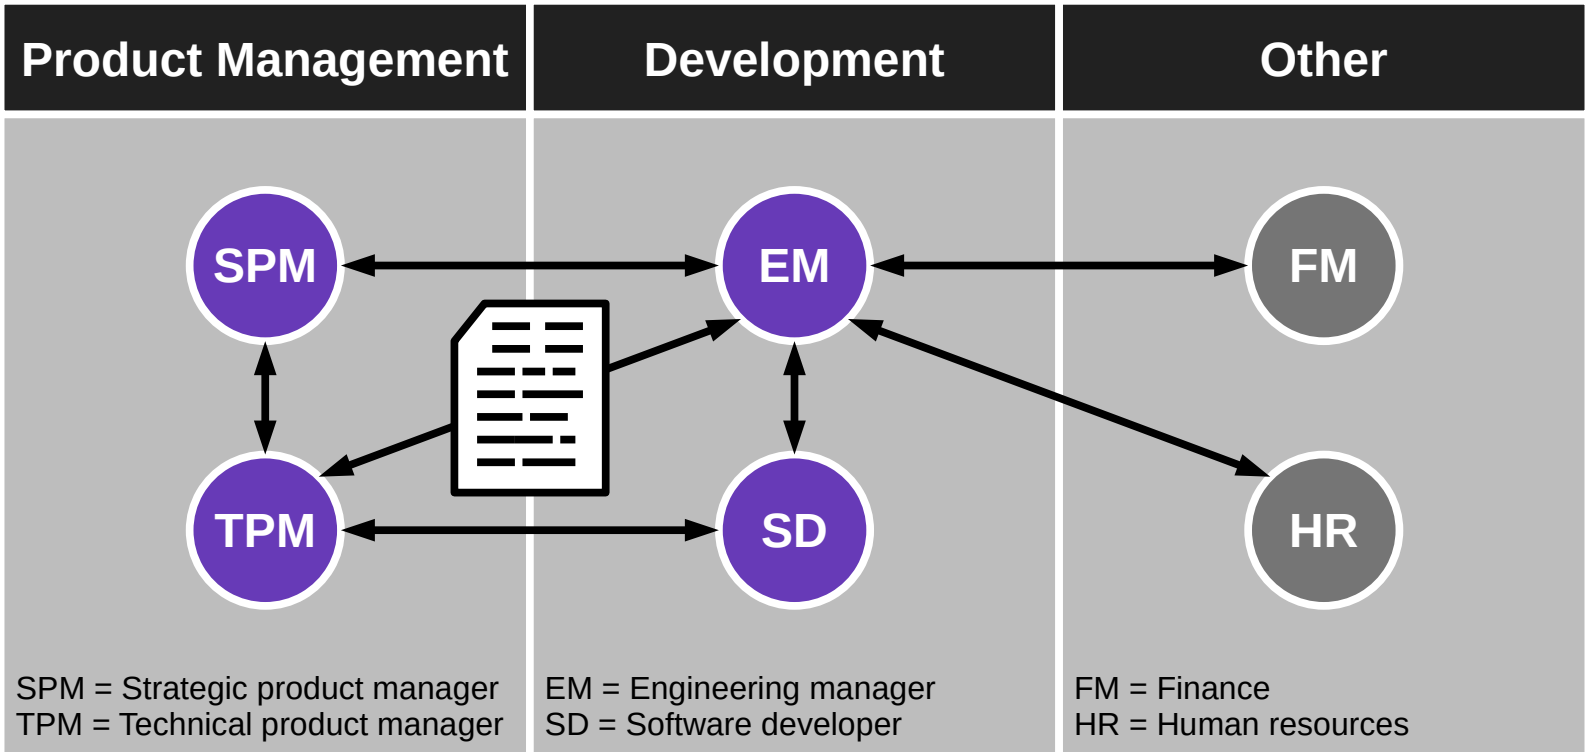

Sales and Marketing			Professional services	Product management	Engineering			Other (HR, Finance, ...)
Sales	Marketing	Customer success			Development	Operations	Support	
<div></div>	<div></div>			<div></div>	<div></div>	<div></div>		<div></div>
	<div></div>			<div></div>				
				<div></div>	<div></div>	<div></div>	<div></div>	
				<div></div>		<div></div>	<div></div>	
		<div></div>	<div></div>	<div></div>				

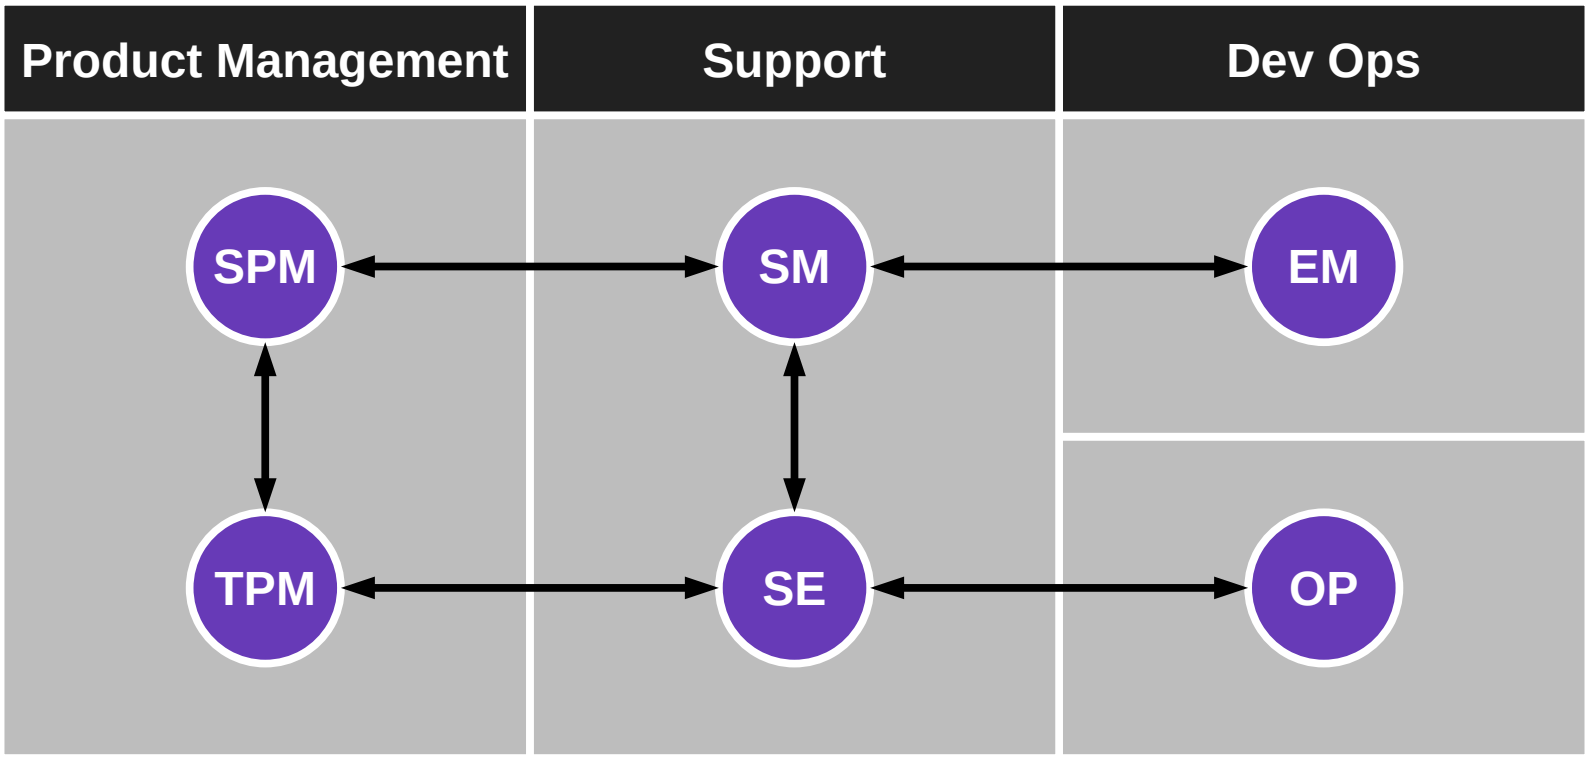

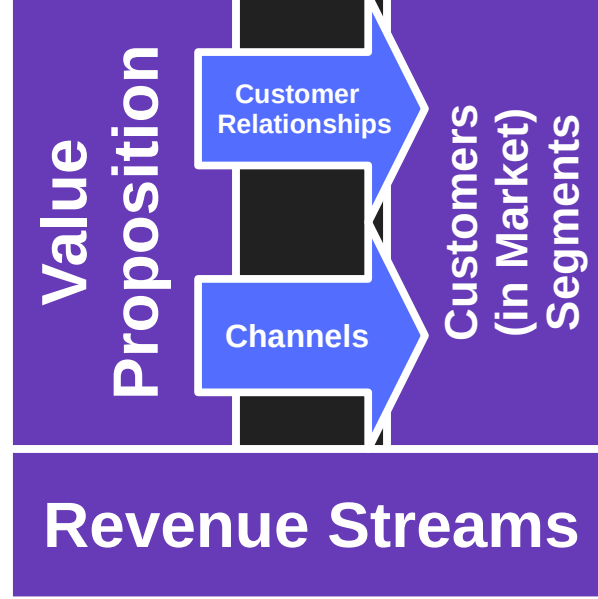

B04

Business Models

Customer = user (same legal entity), and economic buyer = end-user

Customer = user (same legal entity), but economic buyer is different from end-user

Customer

“User”, i.e. “the product”
